## Society

## DAR MEET

Greene County's three chapters of the Daughters of the American Revolution — Catharine Greene, Xenia; Cedar Cliff, Cedarville, and George Slagle, Jamestown — were represented at a meeting of the Ohio DAR at the First Methodist Church, Middletown, Tuesday.

Miss Charlene Mark, Washington C. H., district director, presided and plans for the year's work were outlined. Speakers included Mrs. James Patton, Columbus, first vice president general and immediate past state regent, and Mrs. F. O. McMillen, Akron, state regent.

Representatives from Catharine Greene Chapter were Mrs. Earl McClellan, regent; Mrs. A. C. Messenger, a past vice president general; Mrs. W. H. McGervey, Mrs. R. J. Warner, Mrs. Elbert Babb and Miss Mary Hopkins.

Attending from Cedar Cliff Chapter were, Mrs. M. J. Bahin, regent; Miss Sarah Reid, Mrs. Fred Dobbins, Mrs. Raymond Williamson, Mrs. S. V. Onderdonk, Mrs. Ernest Flock, Mrs. Ralph Rife, Mrs. William Lafayette and Mrs. J. Ervin Kyle.

George Slagle Chapter was represented by Mrs. Bliss Smith, regent; Mrs. Braden Smith, Mrs. O. F. Reeves, Mrs. Henry Hornberger and Mrs. C. E. Thuma.

## OFFICERS INSTALLED

Miss Mae McKay, near New Burlington, president, and other newly-elected officers of Alpha Phi Chapter, Delta Kappa Gamma Sorority, were installed at a meeting at the home of Miss Evelyn Wilkerson, Lebanon, Saturday afternoon. The chapter is composed of teachers in Greene, Clinton and Warren Counties.

Other officers installed were Miss Josephine Randall, Cedarville, first vice president; Miss Carrie Rife, Cedarville, second vice president; Miss Myra Haydock, New Burlington, corresponding secretary; Miss Ora Hanna, Cedarville, recording secretary; Miss Mary Hankinson, Franklin, treasurer, and Miss Chloe McVey, Jamestown, parliamentarian. Miss Wilkerson is retiring president.

Plans for the year's work were discussed, including a state convention of the sorority at the Hotel Gibson, Cincinnati, Oct. 10-12. Refreshments were served by Miss Wilkerson, assisted by Miss Eleanor Finney, Trotwood; Miss Florence Swan, Xenia, and Miss Lelia Paulin, Jamestown.

Those attending from Greene County were Miss Ruth Lewis, Mrs. Marietta Thomas, Mrs. Olive T. Nybladh and Miss Swan, Xenia; Miss McVey, Miss Paulin and Mrs. Leila Faulkner, Jamestown; Mrs. Olive Hammond, Yellow Springs; Miss Hanna, Miss Randall and Miss Rife, Cedarville; Mrs. Mildred Foster, Yellow Springs, and Mrs. Eloise Kling, London.

Watkins Heads  
Student Council  
At College

Student government at Cedarville College got underway the past week with preparation for the homecoming one of the first items on the agenda. The student council assumed the responsibility for the election of the homecoming queen and attendants, their presentation to the alumni at the Cedarville-Cantebury tilt, and the coronation in the evening's dance.

Newly-elected head of the council Carl Watkins of Cedarville, who also serves as president of the senior class. Mr. Watkins was active in the council and other student organizations last year.

Two elected delegates represent each class on the student council. Edward "Bud" Irvine, Cedarville, and William Trout, Xenia were picked by the seniors as members. Representing the juniors are Raymond Mullen and Norman Potts, both of South Webster.

Arthur Harkins, Springfield and Adolph Maslar, Ravitan, N. J. were elected by the sophomores. The freshmen selected John Kennedy, Lewiston, Pa., and Mary Ann Fellows, Hamilton.

In addition to the designated delegates, the president of each class has a seat in the council. Willard N. Preston, Bradford, heads the junior class; Earnest Foster, Dunbar, W. Va., the sophomore, and Franklin Rudy, Lewiston, Pa., the freshmen.

At the same elections, September 17, the classes voted in their other officers. Andrew Lambros, Hamilton, is vice-president of the freshmen and Phyllis Cedarville, their secretary-treasurer. The sophomores picked Bill Riley, Chillicothe, and Jim Rowe, London, for the two positions. Art Lewis, South Webster, serves as vice president for the juniors; Bernice Knecht, Jamestown, as their secretary-treasurer. The senior officers are Ed Ryan, Newark, vice president, and Donna Watkins, Cedarville, secretary-treasurer.

Mrs. Isa Arthur  
Succumbs at  
Springfield

Mrs. Isa M. Arthur, 75 widow of Attorney Edwin L. Arthur, 466 Woodland avenue, Springfield, died at 5 p. m. Wednesday in the Springfield City hospital where she had been a patient since Saturday. She had been in failing health for several years.

Mrs. Arthur was born in Cedarville on Jan. 20, 1872, the daughter of Mr. and Mrs. James Barber and has been a resident of Springfield for more than 50 years. She had been a member of Covenant Presbyterian church for many years. Her husband died Oct. 19, 1928.

Survivors include two sons, Edwin L., a Springfield attorney, and Dr. Robert D. Arthur, also of Springfield; a daughter, Mrs. David Sawyer of Springfield; four sisters, Miss Effie M. Barber of Springfield, Mrs. Nora Baldrige of Dayton, Mrs. Laura Collins of Denver, Colo., and Mrs. Jessie Davies of Boston, Mass., and four grandchildren.

The body was taken to the Jackson-Lytle funeral home where services will be held at 3 p. m. Friday, the Rev. Robert Ustick, pastor of First United Presbyterian church, officiating. Burial will be in Ferncliff cemetery.

Agnes McCabe, Xenia precinct two; Mrs. Lydia Ferguson, Beaver Creek township; Ruthana Smith, Xenia precinct one; Clifford Glass, Ross township; W. H. Bodine, Xenia township; Charles Wolf, Beaver Creek township; Jesse Weaver, Bellbrook; Raymond A. Higgins, Xenia precinct six; Merl A. Poorman, Osborn; Karl C. Spahr, Osborn; Mary Berryhill, Sugar Creek township; Ralph M. Hall, Xenia precinct four; Charles E. Donley, Spring Valley; Mrs. Josephine Corbett, Jamestown; Marie Swigart, Osborn; Paul Kyne, Spring Valley township; Leroy St. John, Cedarville township.

With the Churches

UNITED PRESBYTERIAN  
CHURCH

Ralph A. Jamieson, minister.  
This Sabbath is the Annual RALLY DAY for both the Sabbath School and Congregation.

The usual order will be observed in having a Combined Service of the above, beginning at 10:30 a. m. The first part of the program will be in the hands of the Junior and Primary Department, with promotions, awards, and special exercises. The guest speaker for the later part of the program is the Rev. Carl A. Sunberg of Springfield of Springfield, Ohio. The speaker is one who is an able and interesting speaker, and will have a good message for all. It is hoped that every member of the Bible School and of the congregation may be present on this Special Day.

Y. P. C. U. 7 p. m. Subject, "The Fourth and Last in the series on the theme, 'From Friendship to Marriage.'" Leader, Miss Katharine Adams. This is also Rally Night for the Y. P. C. U. and a Special Program has been planned, to which all of the young people of the Sabbath School and Congregation are invited. Students and any others who are not identified with one of the other churches are cordially invited.

World-Wide Communion will be observed by our church on the following Sabbath, October 5th with preparatory services on message by the Rev. Frank Long, Friday at 7:30 p. m. with the pastor of the Friends church of Xenia. Service on Saturday at 2 p. m. with message by Rev. Russell Dugan of Xenia.

We expect to see you all at our Rally Night supper this (Friday) evening. The covered dish supper will be served at 7:30 p. m. (Sharp) with program to follow.

Mr. and Mrs. Henry Hey of Xenia who spent the summer visiting Mr. Hey's people in Holland will tell of their trip and experiences. Mr. Hey will also sing.

The Union Wednesday evening prayer service will be held in one church next week at 7:30 p. m.

## CLIFTON UNITED

Continued on Page Four

Mrs. Check Is  
Named Queen for  
Homecoming

Preparation for Cedarville college's annual homecoming Oct. 4 neared completion this week with the election of a homecoming queen and her attendants. Mrs. John J. Check, second semester freshman, was picked by popular vote to reign for the day. In the same election, Wednesday, two attendants were named: Mrs. Carl Watkins, Cedarville, and Miss Bernice Knecht, Jamestown. Mrs. Watkins represents the senior class and Miss Knecht the junior.

The formal presentation of the queen and attendants will come Saturday afternoon, Oct. 4, at the Cedarville-Cantebury football game scheduled for 2:15 at Cox field in Xenia. Cantebury, a school of about 400 enrollment is expected to send a team on even par with the Cedarville Jackets for the alumni show. Last season the local eleven defeated the Cantebury Knights 14-6 at Danville, Ind.

A banquet is planned for 6:30 homecoming day in Alford Memorial gymnasium as the formal welcome to returning students and friends. Reservations are now being received at the college for the event. The student council is planning a dance to be held in the Cedarville high school to end the day's program.

Big Reds Move  
In as Threat  
For Crown

The Big Reds of Cedarville high school moved in as strong contenders to repeat their performance of last fall as the county's baseball champion when they downed the potent Bellbrook 9 by a count of 8-2 on the high school diamond last Friday afternoon.

Grindle, the Clifton sophomore pitching sensation, had the game under his thumb from the very beginning as the visitors popped up and dribbled weak grounders all over the infield.

The locals kept hitting the ball hard from the start, but could get nothing across until the fourth when they came through with a four run outburst.

With that lead the Brooks pushed across two unearned counters in the fifth while the locals roared back in the bottom of the sixth with four more markers to remove any threat the visitors might offer in the final frame.

On Tuesday they took Jefferson over the coals as Don Rhebert hurled a 2 hitter at the Cedarville community park with the locals taking the game easily 15-2.

Selma Homecoming  
Attracts Crowd

The Rededication and Homecoming Services last Sunday morning and afternoon were very well attended, about 155 different persons being present in the morning and afternoon services. The offerings in the two services amounted to a little more than \$67.00. In the last fourteen months new electric lights have been put in to take the place of gas lights, three new gas heaters were purchased, and the church interior has been redecorated, and some minor improvements made costing about \$1200.00.

College Sorority  
Holds First Meeting

The first meeting of the Chi Sigma Phi sorority of Cedarville college was held Sept. 18 at Hariman hall.

Ellen Smith was elected secretary-treasurer, since the former secretary-treasurer does not attend college this year. Donna Watkins is the president; Kathleen Evans is publicity chairman.

Streets Get  
Coat of Tar

Several streets of Cedarville were given a coat of tar during the past week.

Headline: "Coffee Goes Up." Because so much is going down.

## On the School Scene

School started off with a "bang" this year with the usual mix-ups in schedules and the excitement of the Freshmen as they started the "long road" up through higher education.

The enrollment exceeds last year's figure of 191, with 204 students attending high school. Twenty-eight of this number come from the Senior class, which is the most evenly divided, with thirteen girls and fifteen boys. The Junior class adds another twenty-eight to the enrollment figures, girls leading boys, nineteen to nine. The Sophomore class has thirty three pupils, eighteen girls and fifteen boys. Thirty-three girls and fifteen boys make up the Freshman class, which has the distinction of being one of the largest classes in the history of the high school, with a total of forty-eight pupils. The additional sixty-nine students come from the seventh and eighth grades, thirty-one from the eighth grade, thirty-nine from the seventh.

Class officers have been selected for the coming school year.

Four boys have been elected to guide the Senior class activities. Our president is Roger Charles; vice-president, Henry Beattie; secretary, David Spencer; and treasurer, Karl Wilburn.

The Sophomores and Juniors voted for their class officers the first week of school. The Juniors elected as their officers the following students: president, Bill Fife; vice-president, Charlotte Harpham; secretary, Bill Heidorn; treasurer, Barbara Koppe.

The new officers for the Sophomore class are: Dorothy Chenoweth, president; Paul Vest, vice-president; Donald Chesnut, secretary; and Dick Williamson, treasurer.

Officers for the Freshman class are: president, Donald Baldwin; vice-president, Janet Crumrine; secretary, Robert Boase; and treasurer, Lawrence Tinney.

As we roam through the halls this year we observe several new faces. We are very glad to have them with us. We are introducing them to the school as follows: Senior: Carolyn Anderson; Freshmen: Robert Boroff, Leon Ellencor, Susan Emry, Lawrence Finney, Nancy Harris, Miriam Hammel, Mary Hopkins, Marie Houston, Clara Sexton, Velma Shope, Martha Swaby, Paula Turner, Nancy West, Sally West; Seventh: Bethany Sanders, Archie Radar. We are also proud to have two ex-GI's with us this year: Larry Pitzer and Herbert Litteral.

Five new teachers have been added to the faculty this year. The three elementary teachers are: Mrs. Dorothy Reed, fourth grade; Miss Betty Sikes, fifth grade; and Mrs. Beryl Dolphin, sixth grade. Robert Guthrie is the science teacher for the high school and the commercial teacher for this year is Miss Olive Malow.

While we are speaking of new things, I think we should mention a new course which is being offered this year, Journalism. As one of the class projects, a column will be published in frequent issues of the local Herald. All members of the class will contribute material for each column, and a different pupil will be responsible for assembling and compiling the complete story of events.

The Cedarville "Big Reds" have made a good showing in the opening of the county baseball league.

The boys have won three out of three games, and are ready for their fourth, Tuesday afternoon, at the American Legion Diamond. Four games remain to be played, as follows:

Jefferson—Sept. 23, here  
Silver Creek—Sept. 26, there  
Spring Valley—Sept. 30, here  
Beaver—Oct. 3, there

In order to go to the district next season they must win this fall. They can go as champs if they win all their games, or with only one loss they can go as runners-up. Dear old Cedarville will be in there fighting, and fighting hard to go as "Champs."

Rehearsals have been started for the "Red and White Minstrel" to be given sometime in November. Girls are participating in this year for the first time. Much enthusiasm is being aroused. Continued on Page Four

Jackets Snowed  
Under by Big  
Findlay Team

Inauguration of Ohio's 1947 college football season resulted in a decisive victory for Findlay over Cedarville last Thursday night at Cox field, Xenia by the score of 51-0.

The Cedarville aggregation was completely outclassed, and showed no sign at all of making a contest of the game after the first quarter.

Fielding a line that averaged well over six feet, and a fast, tricky backfield, Findlay marched almost at will to eight touchdowns. Continually in the hair of the Yellow Jackets were two negro halfbacks of Findlay, Justice and Watson—the former presenting a touchdown threat each time he handled the ball.

Findlay wasted no time getting started. Taking the kickoff on his own 10 yard line, Sustersic raced to his own 48 before being hauled down by Cedarville's safety man. Four plays placed the ball on the Yellow Jacket three yard stripe.

The crowd, already sensing the outcome of the contest, was presented with a startling goal line stand by Cedarville. After taking Cedarville's kick out on the 33, Findlay pushed to the two yard line in just two plays, but again failed to score.

Cedarville tried to run the ball out, but on the 3rd play fumbled. Findlay end Nickel pounced on the ball for his first of two touchdowns.

This ended Cedarville's marked resistance. A 43 yard drive, and an intercepted pass resulted in two more first half scores for Findlay.

A 72 yard jaunt by Fullback Sustersic started off Findlay's parade of touchdowns in the second half.

Justice, Busa, and Nickel all scored in the second half. Cedarville gained only three first downs in the entire contest, due to Findlay's seemingly endless supply of good linemen. In fact, if Findlay's goal line had been the 50 yard line, Cedarville still would have never scored. Not once did the Yellow Jackets penetrate Findlay territory.

The Jackets journey to Georgetown for a game tonight (Friday) and then next Saturday entertain Canterbury of Indiana at Xenia in the Homecoming game which will be called at 2:15.

Scoring: Findlay Touchdowns; Nickel—2, Justice—2, Rusnak, Sustersic, Busa, Wortman; extra points; Burton—2, Carter.

Officials: Ellis Johnson, referee Paul Landis, umpire; Bill Kaylor, head linesman.

Presbyterian Manse  
Is Rededicated

Exercises of rededication of the manse of the First Presbyterian church, Paul H. Elliott minister, will be observed Sabbath afternoon, Sept. 28, at 3:30.

It will be recalled that fire partially destroyed the manse on the morning of Dec. 3 last year. Repairs and extensive improvements have been under way since then.

Friends in the community are cordially invited to share with members of the church in these exercises by their presence.

## NEW BEAUTICIAN

Miss Eleanor Hertenstein has accepted a position at Allen's beauty shop. She has been employed at Turners beauty shop in Xenia.

That first trip to the coal pile was revealing. Wonder how long it will last? (The coal pile, that is.)

Grantland Rice has an article in a magazine on "The Left Hand in Golf." The trouble with our left hand in golf is that our right hand doesn't know what it's doing.

Attorney for Raymond Fred-  
erick Buyher, petitioner.

## LEGAL NOTICE COMMON PLEAS COURT OF GREENE COUNTY, OHIO

Mary Kathryn Wright by Fred  
A. Frank, her next friend, Plain-  
tiff, vs. Robert L. Wright, Defend-  
ant.

Robert L. Wright, whose address  
is c/o Ed Trows, Lehigh, Oklahoma,  
will take notice that on the 24th  
day of September, 1947, Mary  
Kathryn Wright filed her suit for  
divorce in the Court of Common  
Pleas, Greene County, Ohio and  
is case No. 25,118 on the docket of  
said Court.

The prayer of said petition is  
for divorce and for the restora-  
tion of the plaintiff to her maiden

name of Mary Kathryn Frank.  
Said petition will be for hearing  
six weeks from the first publica-  
tion, and unless otherwise ordered  
by this Court hearing will be on or  
after the 15th day of November,  
1947.

MARY KATHRYN WRIGHT  
By Smith, McCallister & Gibney,  
her attorneys  
(9-26-6t-10-31)

NOTICE OF APPOINTMENT  
Estate of Helen Coy, Deceased.  
Notice is hereby given that  
Frank List, Jr. has been duly ap-  
pointed as Executor of the estate  
of Helen Coy, deceased, late of  
Benverreck Township, Greene  
County, Ohio.

## Storm Hits Local Area On Sunday

A high wind accompanied by a  
heavy downpour hit the local  
area Sunday evening and sent the  
temperatures hurtling downward

Dated this 24th day of Septem-  
ber, 1947.

WILLIAM B. McCALLISTER  
Judge of the Probate Court,  
Greene County, Ohio.  
By Luella Howser  
Chief Deputy Clerk.  
(9-26-3t-10-10)

as the wind continued through  
most of the following day at re-  
duced velocity.

Little damage was reported in  
the immediate vicinity, but power  
lines and phone wires were blown  
down in several parts of the  
county and service of both power  
and phones was interrupted at var-  
ious times during the day.

The storm, according to the  
weather bureau, was the dying  
gasp of the hurricane which swept  
Florida and Louisiana during the  
latter part of last week.

It had moved in from the Car-  
ibbean, took a heavy toll of life  
and property in the cities of Flor-  
ida, then moved westward across

the gulf striking next at New  
Orleans and then turned directly  
north passing out of existence  
over the Great Lakes during the  
early part of this week, as a new  
but lesser storm moved in over  
the southern states.

## 10 Years Ago

From the Herald—Sept. 24, 1937

In line with all the other coun-  
ties in Ohio Greene county's  
sales tax receipts for 1937 were  
below 1936. Greene county was  
off 11%.

The Dayton & Xenia traction  
line ran its last car Saturday  
evening.

# IMPORTANT NOTICE

to All Who Are Considering  
Gas as Fuel for Space Heating

# AN EMERGENCY ORDER

BY THE PUBLIC UTILITIES COMMISSION OF OHIO

Note: We Suggest You Save This Copy of the Gas Limitation Order

Before  
THE PUBLIC UTILITIES COMMISSION OF OHIO  
In the Matter of the Investigation of )  
the supply of natural gas within the ) No. 13,618  
State of Ohio.

### EMERGENCY ORDER

This matter came on for consideration pursuant to the Commission Order of September 10, 1947, and after the taking of testimony, the receipt of exhibits and statements of representatives of the natural gas companies in Ohio, and the Commission's staff, was submitted to the Commission.

WHEREUPON, the Commission, on the basis of the evidence presented, finds that:  
Due notice of the hearing of this matter was given by telegram to all natural gas companies in Ohio known by the classifications "A", "B" and "C", and all such companies were present and afforded an opportunity to be heard fully.

The unprecedented demand for gas and the inability of the utilities and their suppliers to provide facilities to make additional gas available to consumers in the State of Ohio has created an emergency affecting the health, safety and welfare of the people of the State of Ohio which will continue to prevail at least during the coming winter 1947-1948.

Such emergency arises in part from the inability of Ohio utilities having sources of supply outside the state of Ohio to secure full performance of contracts to deliver gas during the coming winter season 1947-1948 from such sources.

During the winter season 1946-1947 not only were large industrial gas consumers curtailed much of the time in accordance with this Commission's Administrative Order No. 46, but at frequent intervals extensive curtailment of many other smaller commercial consumers became necessary and on peak days curtailment of domestic gas use had to be solicited and enforced by the distributing utilities in Ohio.

During the winter 1946-1947, with substantially all industrial consumption curtailed, with resultant loss of employment, the domestic shortage reached the total of well over 100 million cubic feet per peak day with an average mean temperature never lower than 10 degrees. At one time over 47,000 domestic gas users in Ohio were entirely without gas service.

The major distributing utilities in Ohio have from time to time adopted Rules and Regulations with the approval of this Commission calculated to meet this emergency by imposing restrictions and curtailments upon the use of gas for space heating purposes. These Rules and Regulations were not uniform, and the lack of uniformity has led in many instances to uncertainties and confusion.

The major natural gas companies have, during the period 1946-1947, expended large sums of money in an effort to improve their capacity to produce, receive, transmit and deliver natural gas to their consumers in Ohio. These programs could be classified generally as follows:

(1) An accelerated new drilling program has practically taxed the maximum capacity of Ohio fields to produce. New areas for the storage of natural gas under ground were developed and expanded. Sixty-seven (67) new large storage areas have been installed to facilitate the speedy withdrawal of gas so stored.

(2) New large diameter gas transmission lines have been installed and are in the process of completion, adding over 350 miles to the capacity of these companies, at a cost of over \$25,000,000. Additional compressor facilities have been installed to the extent of the utmost capacity of all transmission facilities that could possibly be provided.

(3) One company has expended a quarter of a million dollars in improving its water gas plant for use on peak days. Four large propane-air plants having a productive capacity of 81 million cubic feet per day for three to four peak days have been constructed in the state for use only in cases of extreme emergency at an operating cost vastly exceeding that of any other type of gas fuel.

(4) New and additional contracts have been negotiated and secured calling for the delivery of natural gas from all possible sources outside the State of Ohio. Experience has indicated that commitments of this type are not a guarantee of a constant source of gas.

The Commission further finds that:  
Notwithstanding the restrictions heretofore put into effect by the major utilities with the approval of the Commission, and the efforts of such utilities as hereinbefore set forth, and that further restrictions on the sale of natural gas for space heating are necessary, and that it is essential that such restrictions be applicable universally to all gas distributing utilities dependent in whole or in part upon supplies of gas from others, and that such restrictions shall be of uniform operation throughout the State of Ohio.

The best estimates of the major companies, which estimates have been carefully scrutinized by the Commission, show that curtailment during the winter 1947-1948 will be as severe as previously experienced.

Certain gas producing and distributing companies have sufficient supplies of gas to serve all their present and prospective demands.

The Commission therefore finds that an emergency exists of such nature that an emergency order should be entered with a provision that a full and public hearing on said order be had as soon as may be practicable. It is, therefore,

ORDERED, That effective at 12:01 A.M., September 16, 1947, the following emergency Rules and Regulations be and they are hereby adopted and prescribed for and made applicable to all utilities or companies furnishing natural gas service in the State of Ohio, with the exception hereinafter made. All availability clauses, terms and conditions in or pertaining to any and all schedules, rules or regulations, now on file with Commission or that may hereafter during the continuance of this emergency be filed with the Commission, applicable to the furnishing of natural gas to consumers in Ohio, are, because of and for the period of such emergency, altered so as to contain therein the following limitations and restrictions with respect to the supplying of service thereunder:

RULE 1: No distributing utility shall supply or be required to supply natural gas service to any consumer present or prospective in the State of Ohio for equipment designed to furnish the source of space heating that replaces other fuels, or for additional space heating equipment.

RULE 2: No distributing utility shall supply or be required to supply natural gas service to any consumer present or prospective in the State of Ohio, for new or additional equipment designed to provide gas space heating in any building, unless proof is furnished to the utility that:

(a) Gas fired heating equipment was registered with the utility and approval for the installation of such equipment was given by the utility prior to the effective date of this order, or

(b) In the case of new construction a binding contract for such construction had been entered into prior to the effective date of this order. Copies of such contracts must be furnished to and registered with the utility on or before ten days after the effective date hereof and accompanied by an affidavit of the parties to such contract as to the date of execution thereof. If the structure for which such service is desired is not substantially started (such as foundation completed or other evidence of bona fide intention to complete as rapidly as construction will permit) by December 16, 1947, gas service shall not thereafter be furnished for such equipment.

RULE 3: Nothing herein contained shall prevent natural gas consumers in the State of Ohio, either through their utility or their appliance dealer, from replacing gas fired space heating equipment, provided that the capacity of the equipment to be installed does not exceed the capacity of the replaced equipment.

RULE 4: Whenever evidence available to the utility reasonably indicates that any consumer has connected gas fired space heating equipment which is not under these rules eligible for service from the utility's gas service lines, the utility shall forthwith in writing direct such consumer to disconnect such equipment and discontinue the use of such service, and if such consumer shall fail or refuse to do so within ten (10) days, the utility shall discontinue the entire supply of natural gas to such consumer and shall withhold such supply until such gas fired space heating equipment has been disconnected. To insure against reconnection of such space heating equipment the utility, before re-establishing service to such consumer, shall take such measures as may be deemed practicable and necessary to restrict the flow of gas to quantities required for other than space heating purposes.

RULE 5: Each such distributing utility in the State of Ohio shall curtail natural gas service to industrial consumers when and to the extent necessary to supply the demands during peak periods of its domestic consumers in accord with this Commission's Administrative Order No. 46, but shall restore such curtailed service when the emergency is past.

RULE 6: No action taken by any utility in compliance with these rules shall be deemed to constitute unjust discrimination or a violation of any of the provisions of The Public Utilities Commission Act, the General Orders of this Commission, or the schedules, rules, and regulations of such utility.

RULE 7: Failure of any gas distributing utility to abide by and support the provisions of this order shall subject such utility and its responsible officers, agents and employees to the penalties provided by The Public Utilities Commission Act.

This order shall not be applicable to any gas producing and distributing companies which have sufficient supplies of natural gas from their own wells or wells under their control to serve all their present and prospective demands.

It is further  
ORDERED, That this emergency order shall become effective at once on a temporary basis, and that a public hearing at which all matters and things relevant thereto may be the subject of discussion, and at which any interested party may present any material evidence, documentary or otherwise, which may lead to or show reason for a modification, change or cancellation of this order, shall be held in the office of the Commission, the Ohio Department Building, at ten o'clock a.m., September 29, 1947.

It is further  
ORDERED, That this order shall remain in full force and effect until April 1, 1948, unless the Commission shall upon the further hearing hereof find it necessary to modify, amend or suspend it.

It is further  
ORDERED, That a true copy of this emergency order be filed forthwith in the office of the Secretary of State of the State of Ohio.

THE PUBLIC UTILITIES COMMISSION  
OF OHIO

(Signed) Harry M. Miller  
CHAIRMAN

(Signed) Paul E. Weiland  
Commissioners.

Dated at Columbus, Ohio  
This 15th day of September, 1947  
A true copy:  
(Signed) Thos. W. Maxson  
Thos. W. Maxson, Secretary.

### PROVISIONS TO NOTE AND REMEMBER:

This emergency order is already in effect, as of September 16, 1947. Under no circumstances will additional gas space heating be allowed present users of gas.

The Order eliminates all conversion to gas in existing structures. Present users of gas heating equipment may replace it with new equipment through a dealer, heating contractor or the utility providing the new equipment does not exceed the gas consumption of the equipment replaced.

In new construction, gas heat will be permitted only where the construction contract was made prior to September 16, 1947, the contract with affidavit was recorded with the utility and the construction was substantially started or other evidence of bona fide intention to complete as rapidly as construction will permit by December 16, 1947.

Important to the owner or operative builder responsible for construction: It is requested that you immediately get in touch with The Dayton Power and Light Company and obtain from them instructions on the "Gas Limitation Order" effective September 16, 1947.

RESTRICTIONS DO NOT APPLY TO GAS FOR COOKING, ETC.—The Commission's Order on gas for space heating in no way affects the use of gas for cooking, water heating, refrigeration and other common household uses except space heaters. Appliances for these purposes do not add appreciably to the demands for gas on peak days.

HAMMAN'S DAIRY

Continued from Page One  
The Cedarville Chapter of the Future Farmers is making plans for its fourth annual fair to be held October 10th, 1947. Our president, Nolan Butts, has appointed all the necessary committees and each member is interested in the coming event, and we are planning for a large fair.

F. F. A. officers for the 1947-48 school term are as follows: president, Nolan Butts; vice-president, James Cherry; secretary, Gene Ritenor; treasurer, Ralph Spracklin; student advisor, Jerry Wilburn; reporter, David Spencer; and chapter advisor, J. R. Harner.

The F. F. A. members and their guests enjoyed a weiner roast and a hay ride Friday evening. Mrs. Ridgeway accompanied them.

In case you see the "teenagers" of C. H. S. sporting new "T" shirts with a red "Cedarville" and a so-called cedar tree designed on them, it is the result of the sale the Junior class had last week. Scarves have arrived and will go on sale soon. The Junior class is sponsoring these sales to earn money for their prom.

Pity the poor Freshman! At the beginning of each school year a new species enters Cedarville High School. These creatures are called "Verdant" Freshmen ("green" to you). An interesting sidelight in the lives of these little folk is that phase of school life known as Freshman initiation. For one day, early in the school year, they throw the entire student body and faculty into an uproar with their funny costumes.

Have you seen a fellow crawling around on all fours and acting like a monkey, or a girl whose face has make-up on one side, with the other side, natural? Or did you hear about the cute skit written by Don Chestnut, Rosie Miller, and Viola Ferguson, three witty Sophomores?

Among other antics that the dignified upper classmen thought of for the younger generation were the baby bonnets for the boys, and the potato necklace and sacks, as dresses, for the girls. One fellow was amazed at the useful (?) paraphernalia he found in a woman's handbag while auctioning it at the assembly. A race among four girls drinking water from ex-nursing bottles was another feature of the day.

Initiation is over for this year but the dream of every Freshman class is planning initiation for next year's "greenies". There, for we will all look forward to next September when there will be another round of fun for all concerned.

**PRESBYTERIAN CHURCH**  
Dr. John W. Bickett, minister. Mrs. Elwood Shaw, organist. Sabbath School 10:00 a. m. John Skillings, supt. Lesson Subject... Worthy objectives of life. Preaching Service 11:00 a. m. This service will be a rally day service under the direction of the Sabbath school. Dr. Bickett will give a short message on Christ living in me. The program published by the Board of Christian education will be used.

The young people will meet at seven-thirty with Miss Nancy Ferguson as leader.

#### CLIFTON

Dr. R. A. Jamieson was a caller at the parsonage last Tuesday. (nee Laura Caroline Bickett) have Mr. and Mrs. W. C. Snodgrass returned from their honeymoon trip in the Smokies. They will be at home at 721 North Fontaine, Springfield, Ohio.

The Sabbath school classes taught by Dr. John W. Bickett and David Bradfute together with the Session members and their wives enjoy a fish fry at the home of Mr. and Mrs. David Bradfute last Monday evening. About fifty were present. Talks on bird and animal life - their habits and habitats were given. Mr. Bradfute secured the fish from Lake Erie. The Greene County game warden and Mr. Stroud of the State Division were present and spoke to the group.

The session and trustees of the United Presbyterian church met at the church Wednesday night of this week and discussed problems of the church's life.

World-wide communion will be observed by the churches in Clifton on Oct. 5.
